We live in nearby on Mark Way. I very much enjoy visiting Watts Gallery, the chapel and cloister, and regularly hike through the area. This is our home, where we are settled with our two children, and feel it important to establish the roots these family plots would give. Thank you for giving us this opportunity to find a plot in the lovely graveyard.

Any other information that would be helpful to your application

We are very much settled in the Godalming/Compton area, with our children at school locally, and every intention of staying for the rest of our lives. Watts chapel and the graveyard are both very special to us, and we would be honoured to have a chance to buy plots for the family.
